Dear Hiring Manager,

I am writing to express my interest in the [Position] role at [Company]. As a highly motivated and result-oriented individual, I have the skills and experience required for this position.

I graduated with a Bachelor of Computer Science Honours degree from FAST NUCES, Lahore, Pakistan. Since then, I have gained valuable experience as a full stack developer in various technologies such as Vue, React, Ruby on Rails, Angular and Django. I am currently working as a Lead Engineer at Hivebuy, where I have further developed my skills in Vue and leadership.

In my previous roles, I have proven my ability to work effectively as part of a team, communicate ideas clearly and concisely, and deliver high-quality results within tight deadlines. My experience and skills make me an excellent candidate for this position.

I am excited to bring my knowledge and capabilities to your organization and contribute to its success. I am a quick learner and I am always willing to take on new challenges and responsibilities.

Thank you for considering my application. I look forward to discussing my qualifications further and learning more about the position. Please do not hesitate to contact me if you require any further information.

Sincerely,
Hamza Shafiq
